Route 2 – The Steeps Sampler

THE
WONDER
ROUTES

DIRECTIONS FROM BLACKCOMB MOUNTAIN

1 COULOIR EXTREME – Start at the top of 7th Heaven and head left to the top of the Couloir Extreme. The main entrance to this run is just below the summit. Once finished, take Jersey Cream run to the bottom of Glacier Express Chairlift and take the lift up.

2 SPANKY'S LADDER INTO RUBY BOWL – At the top of Glacier Express, offload to the left and traverse to the bottom of the Spanky's Ladder boot pack to hike to the main entrance to Spanky's. Garnet Bowl to Ruby Bowl is the main route down, but the steepest way is to take the high traverse on the left.

3 PEAK 2 PEAK GONDOLA – After skiing Ruby Bowl, travel down the Blackcomb Glacier Road ski out and connect with Excalibur Express Chairlift. Take the lift up and travel down to Jersey Cream Chairlift which will drop you off next to the PEAK 2 PEAK Gondola station. Travel on the gondola to Whistler Mountain.

4 SHALE SLOPE – Now on Whistler Mountain, head right towards the Peak Express Chairlift and ride up. At Whistler Peak, the entrance to Whistler Bowl will be on your right as you get off the chair. Ski the main bowl and trend skier's right to get on the lower traverse to the top of Shale Slope. Keep right down the run to minimize the hike at the bottom to get back to Peak Express Chair.

5 WEST CIRQUE – Ride back up to Whistler Peak and take Upper Peak to Creek run to the right. Stay right and connect with the traverse road to the entrance of West Cirque. A small hike will take you to the top.
